Statement of Faith

- ✚ We believe the Bible to be the only inspired Word of God and is free from error. It constitutes the only authoritative infallible standard and guide for faith and living practice.
- ✚ We believe there is one god, the greater and preserves of all things. He exists eternally in three persons: the Father, the Son and the Holy Spirit, who are of one substance and equal in power and glory.
- ✚ We believe man is created in the image of God. Therefore, man's life is unique and sacred. However, since the disobedience of Adam, mankind is in a state of depravity and all mankind is under the sentence of eternal separation from God. Under this sentence, man can only be saved by the grace of God, through faith, on the basis of the work of Jesus Christ and by the agency of the Holy Spirit.
- ✚ We believe that Jesus Christ is the eternal, only begotten Son of God the Father. Jesus was conceived by the Holy Spirit and born of virgin birth. Jesus is true God and true man, and is the only mediator between God and man. We believe in the miracles performed by Jesus. To effect salvation, Jesus lived a sinless life and died on the cross as sinful man's substitute, shedding the blood for the remission of sins. On the third day, Jesus rose from the dead in the body which had been sealed in the tomb. Jesus ascended into heaven and is at the right hand of God the Father as Lord of lords, and is the Head of the Church. Jesus shall come again in power and glory to earth to judge all men.
- ✚ We believe in the present ministry of the Holy Spirit and that the Holy Spirit is the third person of the Holy Trinity. The Holy Spirit applies to those who have accepted Christ. The work of Christ is to renew the Christian's nature through re-generation and sanctification, giving spiritual gifts to build up the body of Christ, the Church.
- ✚ We believe the believer, having turned to God in repentance and faith in the Lord Jesus Christ is accountable to God for living a life separate from sin and characterized by the fruit of the Holy Spirit, spreading the gospel and for contributing to the edification of fellow believers in the church.
- ✚ We believe that at the end of the age the bodies of the dead shall be raised. The righteous through faith in Jesus Christ shall enter into the full possession of eternal life and joy in the presence of God and the unrighteous outside of Christ shall be condemned to eternal punishment and death outside of the presence of God.
- ✚ We believe in the spiritual unity of believers in our Lord Jesus Christ with equality across racial, gender, class and denominational differences.
- ✚ We believe that human life begins at conception and is valued by God from conception onward.
- ✚ We believe that abortion is not a biblically acceptable option to pregnancy, regardless of rape or incest.
